**Tehsil Hasilpur, Bahawalpur**

## ABOUT ME

I'm a Software Engineering student at COMSATS University Islamabad, Lahore Campus. I have a strong interest in building practical, user-friendly software solutions. Currently learning data structures, web development, and UI/UX design, I enjoy applying my knowledge to real-world projects and am always looking to grow through hands-on experience.

## PROJECTS

- **2024** **EVENT MANAGEMENT SYSTEM (TEAM PROJECT)**
  - Built an Event Management System using Java and Javafx
- **2024** **TRANSPORT MANAGEMENT SYSTEM (COURSE PROJECT)**
  - Developed a UI design naming RideEase on Figma
- **2025** **MOVIE THEATRE DATABASE SYSTEM (COURSE PROJECT)**
  - Built a relational database in MySQL to manage movie screenings, bookings, and customers.

## EDUCATION

- **2019-2021** **FAUJI FOUNDATION SCHOOL HASILPUR**
  - Matriculation (Science)
- **2021-2023** **PUNJAB COLLEGE HASILPUR**
  - FSC (Pre-medical)

## EXPERTISE

- Java, Python (basic)
- web basics
- Figma
- MySQL
